SEMINAR ON AMERICAN BISON
TO BE DEC. 2 AT UNIVERSITY

MISSOULA--

Dr. Dale F. Lott of the Department of Psychology at the University of California at Davis, will present a seminar entitled "Social Behavior of the American Bison" Thursday Dec. 2) at the University of Montana.

The program, which is sponsored by the U of M Department of Zoology, will be at 4 p.m. Thursday in room 207 of the U of M Health Science Building.

The talk, to be illustrated with movies, is based on several years' research on the National Bison Range in the Flathead Valley and on Santa Catalina Island, 26 miles off the coast of Southern California.

Dr. Lott, who is a native of Charlo, received his bachelor's degree in psychology at U of M.
